March 2025 Mini-Newsletter Update

Learning Centre Update

- Thanks to those who turned out for our 2024 AGM on Monday, 17 February. Ray's post-AGM presentation on Passwords and Pin Numbers was well received and gave us thoughts to ponder
- Mention was made at the meeting of the Donation Card we introduced last year - we are delighted that 23 people have taken the opportunity to pay forward their \$2.00 donation for General and Interest Group meetings. By paying \$20.00 you receive a loyalty card whereby \$2.00 is signed off each time you attend thus giving you 10 meetings without having to worry about cash. Those interested in purchasing one can see Treasurer Paul Modrich or Ray McDonald
- Our Open Day planning for Monday, 31 March 10:00am to 12 noon is well advanced. Posters are being delivered to CABs, Libraries and other relevant groups. If you have any friends or whānau interested in learning more about what we do, please get them to diarise the date.

Next Meeting

Monday, 10 March at 1:00pm

Hi everyone,

Our competition categories for this meeting are:

Category 3. People

Category 4. Water

You may enter up to two photos in each category.

Photos can be taken on mobile phones or cameras.

At the last meeting, our members went across the road to take photos of Potters Park. We will view your park photos at the meeting. We are hoping that we can use our cameras more than we have been doing at our meetings.

Please email up to two photos taken at Potters Park, along with your competition photos to sner.cameracompetition@gmail.com to reach us by the Wednesday, preceding the meeting (Wednesday, 5 March)

New members to the Learning Centre are welcome to come along to our meetings. There is no need to book to come.

Happy snapping

Hetty Goodwin

Apple Group Meetings

❖Past❖

At the February meeting there was an interactive session on Apps that people like and enjoy. These were Apps covering things to do with photos or music or health or banking or travel or cooking or anything of interest. We had fun exploring them.

Darryl also briefly showed some highlights of upgrades to standard Apple apps that come with iOS18.

❖Future❖

Monday, 24 March, 1:30pm

The New iOS 18 Photos App.

This new App has been described as “confusing, but better”. This session will work through what’s new, how to organise the App to suit you, how to navigate your way around within the App and use the enhanced search facility to find photos more easily. Once you have walked through the App as it now operates, things become more understandable and there are benefits that can make it easier to manage and organise your photos. This will be presented in a workshop manner, and you are invited to bring your phone/iPad and participate as we go. Lots of opportunity for Q&A. All welcome.
